SIMPLE TO INSTALL

Minimal site preparation is required and buildings can typically be in use on the day of installation.

READY TO USE

Prefabricated and delivered complete and ready to use, including plumbing and electrical where applicable.

EASY TO MAINTAIN

Our interiors are designed to resist abusive wear and can be quickly cleaned with warm soapy water and a brush.

CXT buildings are delivered to your site ready to use and require minimal site preparation. Our structures are manufactured with high-strength precast concrete floors, walls, and roofs and are aesthetically designed in multiple floor plans, colors, and textures.

Our buildings can withstand extreme conditions caused by flood, snow, wind, and zone-4 seismic loads.
